Best papers will be selected for publication in the International Journal of Logistics and Transport (IJLT) Vol. 7 No. 2

(Ungul Laptaned and Abdellatif Benabdelhafid, Editors)

The International Journal of Logistics and Transport is an international forum for the dissemination of research into, and applications of logistics, supply chain, and transport. Papers published in the IJLT have undergone peer review to ensure originality, relevance and timeliness. The journal thus provides a worldwide, regular and comprehensive update on logistics, supply chain, transport, and operations research.

The journal invites research and application papers covering the above areas.
